106/13	Matters Arising	<p><u>Fireworks</u> It was noted that the bonfire has been used as a 'dumping ground' for lots of general rubbish, sofas and builders waste that cannot be burned as well as the legitimate wood and garden waste. The non-combustibles have to be separated and disposed of by BIFFA which will incur a large cost. It will be necessary to review the event and the consequences of illegal fly-tipping at the January meeting.</p> <p><u>Clay Shoots at the Crazy Bear</u> A long discussion took place regarding noise disturbance caused by the clay shoots at the Crazy Bear. The frequency of the shoots have increased even further since the introduction of 'Activity Days' so it is no surprise that the number of residents raising concerns with the Parish Council has increased significantly. The Crazy Bear have indicated that they wish to submit a planning application to erect 4 metre high acoustic bunds to address noise concerns and have requested that the Parish Council give their support of this initiative.</p> <p>It was decided that it is necessary to hold a village meeting on December 10th to further address the disturbance caused before any such support can be given.</p> <p>PLEASE NOTE THAT THE DATE OF THIS MEETING WAS CHANGED TO TUESDAY JANUARY 21st, 2014 SO AS TO ALLOW THE PARISH COUNCIL ADDITIONAL TIME TO INVESTIGATE THE LEGAL POSITION.</p>	<p>For Info.</p> <p>For Info.</p> <p>Decision</p> <p>Deferral</p>
107/13	Public Forum	<p><u>School Lane</u> SPC has received complaints regarding children playing on bicycles in School Lane. This was countered by opinions from the floor on the rights of the children to play and ride their bicycles sensibly in the road. Motorists using School Lane need to drive slowly and respect the fact that children may be using the lane to play and ride their bicycles. The PC is supportive of children playing safely.</p>	For Info.

108/13	Village Hall at St. John's	<p>It was noted that the Grand Opening events that took place over the weekend of October 11th to 13th were a great success. Congratulations were expressed to Ann Stead and to the whole of the organising committee.</p> <p>Whilst all present were in agreement that the completed works have been excellent, a healthy debate took place regarding the need for a constitution for the New Village Hall and the possibility that SPC add a nominal sum to the annual precept that can assist with the running expenses of the hall. LE commented that this can be addressed in the Community Plan.</p>	<p>For Info.</p> <p>For Info.</p>

All of the roadworks are being publicised through the Stadham website. Concerns were raised from the floor on the quality of the recent road repairs and the apparently short duration of the working days of the contractors engaged on the repairs.</p>	<p>GN</p> <p>For Info.</p>
