Subject: Freedom of Information Request

Dear [REDACTED]

Under the Freedom of Information Act 2000, I would be grateful if you could provide me with the following;

- A breakdown of monetary cost from Oct 2017 to date of attempting to register the unregistered land, North West to Churchfarm House (referred to by the Parish Council as Allotment 13), including any ongoing liabilities.
- The amount of hours from Oct 2017 to date spent by the Parish Clerk and the Chairman associated with investigating/researching the unregistered land and the overtime paid to the Clerk for doing so.
- What proportion of time allocated to Parish Council matters this represents for both the Chairman and the Clerk as a % of total time.
- The minutes/notes of the meeting held between The Parish Council and Mr Rupert Davis on 20 Jan 2018.
- I would also like you to explain why you decided not to inform Parishioners at any of the three subsequent Parish Meetings of the email sent to you by Mr Rupert Davis on 27 June 2018 informing you that the Parish Council declared to not owning the unregistered land (Allotment 13) in 2012.
- I would also like you to explain why on public record the Parish Council have stated that they do own the land referred to as Allotment 13, when as recently as 2012 they confirmed, on official correspondence with the Land Registry that they do not own the land.
- Copies of all documentation recently submitted to the Land Registry by the Parish Council associated with the unregistered land.

I understand that under the Act I am entitled to a response within 20 working days of your receipt of this request. If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all non-exempt material. Please also note that I reserve the right to appeal your decision to withhold any information.

I would like to ask that I receive the above information electronically and also ask that you acknowledge receipt of this request.

I look forward to receiving the information in the near future.
